

ADVANCED PLACEMENT CREDIT

Criterion: Admitted and attending undergraduate students who have completed one or more Advanced Placement courses during high school and took the AP Examinations.

Policy Statements:

1. Students must be accepted to the university, enrolled, and attending courses for AP credit to be transcribed.
2. AP credit is only granted for undergraduate courses meeting minimum score criteria.
3. Students must request that an official copy of the test score(s) be sent to the Avila University Director of Registration and Student Records for consideration.
4. All AP credits are recorded as credit (CR) grades and do not calculate into the students' grade point average. To meet the baccalaureate residency requirement of 30 hours, students must complete 30 hours of coursework at Avila and cannot count hours of AP credit toward meeting that requirement.
5. A student who has AP credit on another institution's transcript and wants that credit transferred must request that an official copy of the test score(s) be sent to the Avila University Director of Registration and Student Records. Credit will be granted for courses with scores meeting the Avila criteria for AP examinations. Credit for AP examinations is recorded after the student registers for coursework at Avila University.
6. Credit will be awarded based on the following minimum scores and Avila University course equivalencies.

Avila University Policies for Advanced Placement**			
Examination	Minimum Score	Avila Course Equivalent	Credit Awarded **
ART			
Art History	3	AR181: Survey of Art I, AR183: Survey of Art II	6

Physics C: Electricity & Magnetism	3	PH232 General Physics II	5
PSYCHOLOGY			
Psychology	3	PY101 General Psychology	3

Procedure(s):

1. Students must request that official copies of the test score(s) to the Director of Registration and Student Records in the Registration and Student Records Office.
2. Once the student has enrolled and attended, the Director of Registration and Student Records will review the received scores and send a letter to the student indicating the amount of credit and equivalent courses that will be entered on the student's official transcript. The academic advisor receives a copy of the credit letter.
3. The official scores become part of the student's official file located in the Registration and Student Records Office.

Office—Person(s) Responsible for Implementation/Enforcement: Registration and Student Records Office—Director of Registration and Student Records
