

**ARTICULATION AGREEMENT
BETWEEN
THE METROPOLITAN COMMUNITY COLLEGES
AND
AVILA UNIVERSITY**

OVERVIEW:

This formal program articulation agreement is made and entered into by Avila University, hereinafter referred to as Avila, and the Junior College District of Metropolitan Kansas City, Missouri, hereinafter referred to as MCC. By this agreement MCC and Avila express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures that assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:

This agreement provides students who have earned an **Associate in Applied Science – Dental Assisting** at MCC the opportunity to complete a **Bachelor of Science – Healthcare Management** at Avila. Any Metropolitan Community College student who has earned an **Associate in Applied Science – Dental Assisting** is guaranteed that Avila will accept designated freshman and sophomore Dental Assisting credits and all general education credits and will apply such to the **Bachelor of Science – Healthcare Management** degree in a manner consistent with the treatment of native students.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

MCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as Avila native students enrolled under a specific catalog.

Criteria for acceptance will be the same for transfer as for native students.

MCC, upon request of students, will provide verification of completed courses to Avila through its Office of the Registrar.

The Office of the Registrar will evaluate transcripts of students transferring from MCC.

Transfer students from MCC will have access to financial aid, scholarships, and student services on the same basis as native students.

Minimum grade standards for academic progress and graduation from MCC will be subject to no further review by Avila.

Avila will apply the same academic progress and graduation standards to MCC transfer students as those applicable to native students at Avila.

Section II: Transfer of Credit

A minimum of 64 credit hours must be completed at four-year institutions with completion of the final 30 hours of credit at Avila.

Transfer students with an **Associate in Applied Science – Dental Assisting** from MCC will have junior standing at Avila.

Section III: Program Plan

Students falling under this program articulation agreement will be responsible for successfully completing the following requirements.
