

# Accounting

The Bachelor of Science in Accounting prepares students for careers in public, corporate, governmental or non-profit accounting. Depending on their interests, students may pursue either the Public Accounting or the Corporate Accountant track.

Students majoring in Accounting are versed in all aspects of accounting including practice, theory, and professional ethics. In addition, graduates who complete both the Bachelor of Science in Accounting and the MBA in Accounting satisfy the 150 hours requirements of both Kansas and Missouri to sit for the CPA exam.

The tables below are not inclusive but provide a basic listing of career opportunities available to an Accounting major.
