

# Art & Design

The Art foundation courses provide broad experience in conceptual thinking as well as technique through design and drawing classes in order to provide students with an opportunity to determine and develop strengths and interests. There are three concentrations offered: Graphic Design, Art Education (K-12), and Art Therapy.

The tables below are not inclusive but provide a basic listing of career opportunities available to an Art major.

## Positions for those holding a Bachelor's degree in Art include:
