

Business Education

The Bachelor of Arts in Business Education is designed for students who wish to become business teachers in grades 9 through 12. The major is aligned with both the state business content competencies and the state education and pedagogical requirements for a beginning teacher.

The tables below are not inclusive but provide a basic listing of career opportunities available to a Business Education major.

Positions for those holding a Bachelor's degree in Business Education include:

Teacher, grades 9-12	Business Manager	Business Consultant
Business Administrator	Educational Administrator	

Positions that may require a Master's or Doctorate include:

Business Intelligence Analyst	Professor	
-------------------------------	-----------	--
