

Sociology

Sociology is a popular major for students planning careers in areas such as government, education, social service, criminal justice, research, aging services, and many more. Many sociology majors go to graduate school in areas such as law, psychology, public administration, social work, and business, in addition to advance study in sociology.

The tables below are not inclusive but provide a basic listing of career opportunities available to the Sociology major.

Positions for those holding a Bachelor's degree in Sociology include:

Research Policy Analyst	Consultant	Human Resources Manager
Program Manager	Gerontologist	Statistician
Urban Planner	Community Developer	Therapist
Demographer	Criminologist	Sociologist

Positions that may require a Master's or Doctorate include:

Lawyer	Counselor	Professor
--------	-----------	-----------
