General Long Term Plan – 9-12 Secondary Speech/Theater ED Minors (even year)
160 hours

Note that this is a sample schedule. Due to the number of hours required, students wanting to be 9-12 Speech/Theater teacher will require an addition year (5 years) to graduate. There are other course sequences that will allow a student to graduate within five years as long as prerequisite courses are taken in the proper sequence with an average of 15-18 hours enrolled per semester. This sample plan does not guarantee course availability, and adjustments to students' plans may be necessary if they are unable to take specific courses during specific semesters. Students who are placed into lower level Math, English, or other prerequisite courses will need to adjust their plans accordingly. Similarly, a student who brings in Advanced Placement, Dual Enrollment or transfer credit for courses will need to adjust this plan.
