

# Juvenal Habyarimana

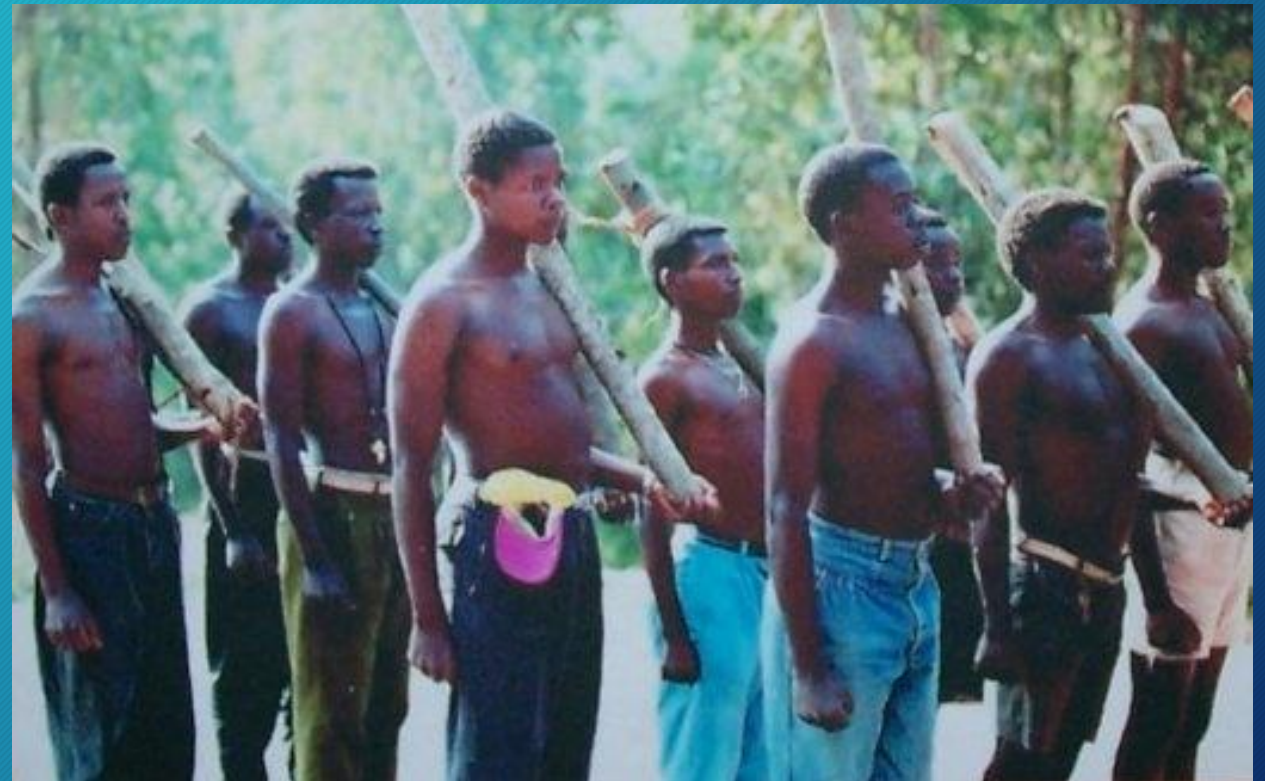

- Serving longer than any other president to date: 1973 until 1994
- Habyarimana was a dictator, and electoral fraud was suspected for his unopposed re-elections: 98.99% of the vote on 24 December 1978, 99.97% of the vote on 19 December 1983, and 99.98% of the vote on 19 December 1988.
