

## 2-Voice poem

We are Journalists

We are all Rwandans

We are journalists

We moving from a destroyed society  
and a failed state to a united  
and reconciliated one.

Don't talk too loud

We are demonstrating unity and reconciliation

We are demonstrating free speech  
and writing the real stories

Tribal identities are disappearing

Journalists are disappearing

We are forgiving our enemies

We are jailing our enemies

We will never forget the genocide

We will forget the dissenters

We are all Rwandans

Even the journalists?

Our Father, who art in Heaven

Our Father, who sees us on earth

Hallowed be thy name

What is your name?

Thy Kingdom come

When will your Kingdom come?

Thy Will be done

What is your Will?

On Earth as it is in Heaven

Is it on earth as it is in Heaven?

Give us this day our daily bread

Do we share our daily bread?

And forgive us our trespasses

Do we forgive our selves our trespasses?

As we forgive those who trespass against us

Do we forgive others their trespasses?

And lead us not into temptation

Whom have we tempted?

But deliver us from evil

Whom have we led into evil?

Teach us to create Heaven on earth.
