

# UG ADVISING/REGISTRATION WORKSHEET

❖ Registration information can be obtained from the [Registration and Student Records web site](#).

## General Information for all Undergraduate students:

**Weekend Intensive courses require reading & homework assignments prior to 1<sup>st</sup> day of class from the following link:**  
 Students should access a copy of the reading assignment in the library or on-line at the [library](#) web site. Select “Electronic Reserve.”  
**Information for accessing Canvas for course assignments will be given by the instructor.**

**ALSO PLEASE NOTE the following:**

- 1) Placement requirement **courses** below may be **either completed or in-progress** at time of enrollment.
- 2) Required **scores** for placement exams, ACT, and/or SAT must be entered into your electronic record **BEFORE** enrollment.
- 3) Allow adequate time for processing of off-campus transcripts before advising and enrolling.
- 4) Developmental English course work completed at another institution may satisfy the English prerequisite at Avila.
- 5) Developmental math course work completed at another institution may satisfy the math prerequisite at Avila **ONLY** if completed within **five years prior** to time of enrollment.
- 6) Students who have Avila math placement exam scores, ACT math scores, or completed prerequisite course work (at Avila or another institution) that are **more than five years old** must complete the Avila math placement exam **BEFORE** enrollment in developmental or foundations level math courses at Avila.
- 7) Students may enroll in General Chemistry I (CH 131) or Advanced General Chemistry (CH 135). Placement for CH 135 is based on a student’s ACT score in Science or on the Avila University Chemistry Placement Exam.
