MPCAC Annual Survey: 2018 – 2019

In accordance with the 2017 standards, MPCAC now requires programs to report program statistics (applications, admissions, graduations) and program outcomes on their websites. MPCAC will also need to report on these data for all of our programs in our annual report as part of our own public accountability. The deadline for the survey is December 1.

Please answer the questions below. If you have more than one program, please complete a form for each program. **We define an academic year as June 1 to May 31.**

If you are not able to answer any of the questions regarding licensure, please explain why:

We are limited in knowing the full extent of graduates who are granted a temporary and full license. We are connected to many of our alumni, but not all of them. Some have changed their last names as well. Therefore, the percentages reported for temporary and full licensure reflect only the graduates from our program who we could verify in local state licensing databases. We expect there are more individuals licensed, but we have lost contact with them and/or their names have changed.
