## **RITA YÁÑEZ, BA HEALTHCARE MANAGEMENT '26** *Posthumous Degree*

Rita Yáñez was born on July 16, 2004, in Kansas City, Kansas. She lived a life rooted in love—for her family, her faith, her friends, and her purpose. Rita grew up surrounded by a close-knit family, including her three sisters, two brothers, three nieces, and one nephew, all of whom she cherished deeply. Rita also loved her life that she had with her friends especially her best friend/sister and her best friend/brother where they lived together and shared their lives as one.

Rita attended schools in the Turner School District, where she excelled academically and graduated as Valedictorian in 2022. She went on to attend Texas A&M University, where she formed meaningful friendships and created lasting memories during her time there. When her father became ill, Rita made the selfless decision to return to Kansas to help care for him.

Continuing her education, she attended the University of Kansas for two years before finding her home at Avila University. There, she pursued a degree in Health Care Administration and had secured an internship with Blue Cross Blue Shield, reflecting her dedication to helping others and building a meaningful career.

Rita also worked at Nexus Prep Pre School as a preschool teacher, where she touched the lives of young children with her kindness, patience, and joyful spirit. She had a deep love for God and was devoted to her church family, drawing strength and guidance from her faith.

Known for her infectious laugh and her desire to make everyone feel special, Rita had a vibrant personality that brought light into every room. She had a unique way of making others feel loved, valued, and seen.

Tragically, on October 4, 2025, Rita's life was cut short in a head-on collision caused by a wrong-way driver. Though her time here was far too brief, the impact she made on those around her is immeasurable.

Rita Yáñez will forever be remembered for her warmth, her compassion, and the love she gave so freely. She will always hold a place in the hearts of those who knew and loved her.
